Day 1: Wednesday November 11, 2020

Virtual school visits and Masterclass

2-5.15 pm CET

Day One will build off the foundations set in the first part of the series and we will take a look in two schools: one for mainstream education and one for special education where they have implemented SWPBS in a successful way. We will have a virtual tour around the school and interact with students, staff and the PBS leadership team.

The programme will follow with a twofold lens on the theme of 'diversity'.
