The indication that you have access to PressReader is if you see the Green tea cup at the upper left and welcome message.

The screenshot displays the PressReader HotSpot interface. At the top left, a green tea cup icon is highlighted with a red arrow, indicating user access. The main header features the text "PressReader HotSpot" in white on a green background. Below this, a white pop-up window contains a welcome message in Dutch: "Welkom bij Fontys Hogescholen! Lees en download je favoriete titels met PressReader!". A green button labeled "Select Publication" is positioned below the message, with a red arrow pointing to it. To the right of the message is the "Fontys Hogescholen" logo. The pop-up window displays a grid of various publication covers, including "Wildlife", "Wallpaper*", "nrc", "CEG", "foodies", "COVID-19 NEWS", and "AMBCRYPTO". Below the grid, there are two buttons labeled "NEWSPAPERS" and "MAGAZINES". The background of the interface shows a sidebar with categories like "Animals & Pets", "Art", "Automotive", "Boating & Aviation", "Business & Current Affairs", and "Computers & Technology". The main content area displays a grid of publication covers, including "foodies", "COVID-19 NEWS", "AMBCRYPTO", and "C1 Magazine".

However, you will notice the Sign-in message at the upper right, which means the access is not connected to a personal account.

The image shows a digital newsstand interface. At the top right, there is a 'Sign in' button with a red arrow pointing to it. Below the navigation bar, a sidebar on the left lists categories: Countries, Languages, and Categories. The main content area is titled 'Featured' and displays a large 'Bloomberg Businessweek' cover. Below the featured cover are two buttons: 'NEWSPAPERS' and 'MAGAZINES'. To the right of the featured cover is a grid of various magazine covers, including 'nrc Handelsblad', 'Foodies', 'The CEO Magazine EMEA', 'COVID-19 News', 'AMBCrypto Weekly', and 'CT Magazine'.

The next step is to register for a personal account, by clicking sign-in then “New User? Sign up now” or if you already have one simple log-in using your email address and password. Use your Fontys email address and password (name@student.fontys.nl or name@fontys.nl)

Once registered via the Fontys network using the url <https://fontys.idm.oclc.org/login?url=https://www.pressreader.com> , you may login and this is what it looks like.
