

# WE ARE LOOKING FOR

# NEW TEAM MEMBERS!

## We are looking for new team members!

Makersplayce is a technical playground for students to challenge their creativity. We offer courses, fun activities, and plenty of chances to connect with businesses. We are looking for Engineering students to join the team and help grow Makersplayce.

Does this sound like a cool **playce** to you? Or would you like to have more information about the job offer?

### What are we looking for?

- Fontys students who like to experiment with tech
- You have some technical knowledge and can teach others this knowledge
- Preferably available for 5-16 hours a week

### What's in it for you?

- Obviously you're getting paid
- Fun, enthusiastic and young colleagues
- Nice addition to your resume
- Possibilities to expand your network
- Develop hard and soft skills
