

## Minor Smart Product Development with Additive Manufacturing (SPDAM)

In-depth technical minor on Additive Manufacturing (AM) also known as 3D-printing.

Entry requirements: technical bachelor study, e.g. Mechanical engineering, Mechatronics, Automotive, Applied Physics, or a comparable study.

English study materials, and in case of participating international students the lectures will be English spoken.

Program	Contents
<b>DFAM</b> Theory (4 EC)	<b>Design for Additive Manufacturing</b> <ul style="list-style-type: none"> <li>• Quarter 1: Design guidelines, economic aspects, case study</li> <li>• Quarter 2: Killer application identification (project)</li> </ul>
<b>PSAM</b> Practicals (4 EC)	<b>Practical Skills for Additive Manufacturing</b> <ul style="list-style-type: none"> <li>• Production preparation &amp; Safety</li> <li>• Post processing</li> <li>• Reverse engineering &amp; Testing</li> </ul>
<b>PM11</b> Theory (4 EC)	<b>Production technology and Materials</b> <ul style="list-style-type: none"> <li>• Properties of materials</li> <li>• Heat treatment</li> <li>• Testing of materials</li> </ul>
<b>CM11</b> Theory & Computer Lab (4 EC)	<b>Stress analysis and Optimization</b> <ul style="list-style-type: none"> <li>• FEM theory and background</li> <li>• Topology optimization</li> </ul>
<b>EP11</b> Theory & Computer Lab (4 EC)	<b>Heat and Flow analysis</b> <ul style="list-style-type: none"> <li>• Principles of heat &amp; flow transfer</li> <li>• FEM for heat &amp; flow modeling (practice)</li> </ul>
<b>IPDAM</b> Project (10 EC)	<b>Project Integrated Product Development with AM</b>

# DFAM Design for Additive Manufacturing

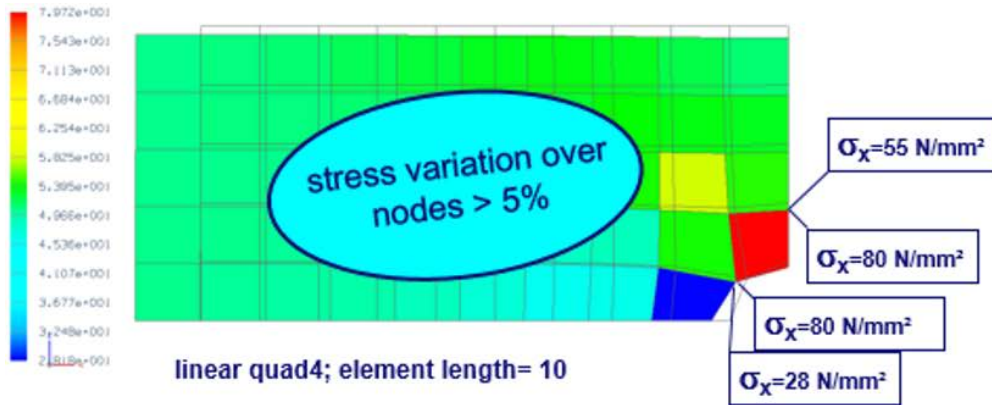

# PSAM Practical Skills for Additive Manufacturing

# PM11 Production technology and Materials

# CM11 Stress analysis and Optimization

# EP11 Heat and Flow analysis

# IDAM Project Integrated Product Development for Additive Manufacturing

Location:

Fontys University of Applied Sciences, School of Engineering,  
Rachelsmolen 1, 5612 MA Eindhoven, 08850-77333.

Contact and coordination:

Auke Visser

08850-85844

[auke.visser@fontys.nl](mailto:auke.visser@fontys.nl)

Enrollment:

- Fontys students [ProgRESS](#)
- External students [KiesOpMaat](#)
