Four
Four brothers
Girl from Ipanema
Here's that rainy day
I could write a book
I didn't know what time it was
I thought about you
I'm beginning to see the light
I'm old fashioned
It could happen to you
I've got the world on a string
I've got you under my skin
Just friends
Just in time
Let there be love
Let's fall in love
Like someone in love
Long ago and far away
Mean to me
The more I see you
My romance
Nice work if you can get it
Night and day
On a clear day
Willow weep for me
One note samba
Witchcraft
Our love is here to stay
You don't know what love is
Sleeping Bee
Straight no chaser

Take the A train
That old feeling
There will never be another you
They can't take that away from me
Time after time
The way you look tonight
What is this thing called love
Whisper not
You do something to me
You'd be so nice to come home to

Angel eyes
April in Paris
As time goes by
Autumn in New York
Beautiful love
Bewitched
Blame it on my youth
Body and Soul
But beautiful
Do nothing 'till you hear from me
Easy living
Easy to love
How insensitive
I wish you love
In the wee small hours of the morning
It might as well be spring
I've grown accustomed to her face
Loverman
The Man I love
Misty
Moonlight in Vermont
My foolish heart
My one and only love
(the) Nearness of you
Polkadots and moonbeams
Round midnight
Stormy weather
Teach me tonight
Tenderly
The thrill is gone
Traveling light
What a difference a day made
What are you doing the rest of your life
What's new
When I fall in love

Willow weep for me
Witchcraft
You don't know what love is
You've changed
